

Bordeaux, 25 July 2022

Eighth circular: closing of registrations and reception on site

Dear colleagues,

Before the summer break starts, we would like to send you some important information about your reception in Bordeaux for the epigraphy congress.

Registration for the congress: end of online registrations

Online registration will only be possible **until August 19**, at the same address:

<https://ciegl2022.sciencesconf.org/registration?forward-action=index&forward-controller=registration&lang=fr>

For details of rates and terms, see the sixth circular:

<https://ciegl2022.sciencesconf.org/data/Circular6.pdf>

After this date, you can register on site, in the mornings from Monday, August 29, 2022, 8:30 a.m. onwards, at the Pôle juridique et judiciaire (Faculty of Law), 35 Place Pey Berland.

Please note that the payment of AIEGL membership dues will only be possible on Monday, August 29, from 9 a.m. to 11 a.m.

Reception on site

All congress venues are located in the city centre of Bordeaux. You will find a description on the congress website.

Those registered for the congress will be able to collect their congress programme, their badge and other documentation on **Monday 29 August** in the *morning* at the Pôle juridique et judiciaire.

For this same **Monday, August 29** in the morning, we have organized a **luggage storage** in the same place for those who have just arrived in Bordeaux and not had time to go to their hotel. It will be available until 12:30 p.m. There will be no luggage storage on subsequent days.

At this moment, there is no requirement to wear a **mask** in France for this type of event. The situation may change. In any case, the covid epidemic will not be eradicated by the end of August and we strongly recommend that all participants bring masks (preferably FFP2) and wear them in closed places. It will be up to you before the congress to check the current state of health requirements in France, including vaccination.

Programme

The detailed programme of the congress can also be found online on our website. The daily schedule with the times for each paper will also be found on the printed programme that we will distribute to you at the congress.

Website and internet connection

You will find on the congress website abstracts of the papers of those colleagues who have kindly sent them to us, as well as additional documents, which will be posted there at the time of the congress.

The website will be accessible on site by the WIFI facilities available at the congress venues. For the Athenaeum, there is a specific WIFI, for which you will have to register on site. For the PJJ, WIFI is accessible via the Eduroam network. We would, therefore, encourage you to obtain details of how to access Eduroam from your home institution as soon as possible.

Excursions

Finally, we would like to remind you of the excursions that are available in parallel with the congress. You will find the link on this page: <https://ciegl2022.sciencesconf.org/resource/page/id/28>.

Wishing you all a good holiday and looking forward to welcoming you to Bordeaux for the congress.

With sincerest best wishes,

On behalf of the CIEGL 2022 Organizing Committee,

Pierre Fröhlich

President of the Organizing Committee

Milagros Navarro Caballero

Vice-President of the Organizing Committee
